Subject: Update on Lighthizer

The next round of NAFTA negotiations per Lighthizer's office is Nov 16-21. I told them we still wanted to set up a call soon to coordinate, but apparently they said things are "blowing up" today and are hoping we can push to next week. I will continue to gently push but I think if negotiations aren't until Nov, it can hopefully wait a few days.

Alternately, I asked if we could do a staff-level call and I could get Sam/Mandy on the phone with someone. Will let you know if that happens.
